Submitted to the Government.

2. The Board submits that in view of the permit system newly introduced and of the revival of communist and R.S.S. activities, work in the magisterial section of the Collector's office, South Kanara, must naturally be proportionately heavier. It therefore recommends that the Government may be pleased to sanction the retention of the additional lower Division clerk in the magisterial section of the Collector's office, South Kanara for a further period of one year from 19-2-1949.

3. It requests that the Collector's action in retaining the additional lower division clerk beyond 18-2-49 in anticipation of the Government sanction may be approved.

The sanction last accorded in the G.O. cited above to the retention for a further period of one year from 19-2-48 of the additional Lower Division clerk, employed in the Magisterial Section of my office under G.O.Ms.No.448, Revenue dated 6-3-1946 will expire on 18-2-1949. The statistics of work turned out in the Magisterial section are furnished below. The statistics will show that the work in the section has not decreased and there is full justification for the retention of the additional lower division clerk, for a further period of one year from 19-2-1949. Further, with the introduction of the perm system between Pakistan and India and the revival of Communist and R.S.S. activities the volume of work in the section is on the increase in the current year. In the circumstances, I recommend that the Government may be addressed to accord sanction to the retention for a further period of one year from 19-2-49 of the additional lower division clerk. I am allowing the addl. clerk to continue beyond 18-2-49 in anticipation of sanct: My action may be approved.
